**RegDOX Solutions Inc. Sponsors Marcus Evans International Trade Compliance Conference with  
Presentation by CEO William O'Brien**

Nashua, NH and Chicago, IL – RegDOX Solutions Inc., formerly known as Brainloop Inc., the only provider of a cloud-based ITAR-compliant solution for export-controlled document and file storage, management and collaboration, is sponsoring the upcoming 6<sup>th</sup> International Trade Compliance Conference by Marcus Evans Conferences in Chicago April 26-28, 2016. RegDOX's President and CEO William O'Brien is set to speak and present on Thursday, April 28 at the event.

Mr. O'Brien's presentation, titled [Incorporating Cloud Computing into Effective Export Compliance Programs Under the US Export Controls Reform Laws](#), will delve into how evolving data-specific export control classifications and licensing requirements can be more securely and efficiently integrated into corporate business processes through the use of technology. Specific EAR (Export Administration Regulations), ITAR (International Traffic in Arms Regulations) and DFARS (Defense Federal Acquisition Regulation Supplement) definitions and requirements will be considered in the context of technology and software to satisfy and confirm compliance with export control requirements. When discussing his presentation, Mr. O'Brien said, *"Recent developments in electronic storage technology can go far to ensure that adequate measures are in place to prevent unauthorized access to export-controlled data and, equally importantly, confirm that fact."*

**WHAT:** Sponsorship and presentation at 6<sup>th</sup> International Trade Compliance Conference, a trade regulation compliance conference.

**WHEN and WHERE:** April 26-28, 2016 at the Hyatt Chicago Magnificent Mile, Chicago, IL.
