

Media Statement: May 17

For Immediate Release

RegDOX Solutions Inc. to Sponsor the New Hampshire Aerospace and Defense Export Consortium Annual Conference

Nashua, NH – May 17, 2016 – RegDOX Solutions Inc., the only provider of an ITAR-compliant solution for enterprise-wide storage, management and collaboration on confidential documents and files containing export-controlled technical data, today announced that it will be sponsoring and attending the New Hampshire Aerospace and Defense Export Consortium (NHADEC) Annual Conference. The 2016 conference, hosted by the NHADEC in conjunction with the NH Division of Economic Development and the NH Manufacturing Extension Partnership, is titled “*Opportunities for Aerospace and Defense Products, Technologies, and Services in International Markets.*”

RegDOX’s executive Stephen Stepanek had this to comment on the event: “*As a local company with a national customer base of exporting companies, we are pleased to be able to offer our unique, patent-pending solution for storing and collaborating on documents while maintaining regulatory mandated confidentiality. For those companies that understand and will be compliant with the ITAR, EAR and DFARS, RegDOX is the only available cloud solution.*”

WHAT: RegDOX sponsorship of the NHADEC Annual 2016 Conference and compliance with the ITAR (International Traffic in Arms Regulations), EAR (Export Administration Regulations), and DFARS (Defense Federal Acquisition Regulations Supplement).

WHEN: The NHADEC Conference is being held on June 1, 2016.

WHERE: Radisson Hotel in downtown Manchester, New Hampshire.

About RegDOX Solutions Inc.

Operating since 2007, RegDOX Solutions Inc. is a market-leading provider of highly intuitive SaaS solutions enabling customers to securely manage and collaborate on confidential documents and information, whether inside or outside of their IT environments. RegDOX® products offer compliancy options for the transference and storage of ITAR, DFARS, EAR, HIPAA, and corporate technical data within the cloud through highly intuitive, feature-rich virtual data room solutions.
